

First Tee — Orange County is a 501(c)(3) non-profit organization building game changers by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf. The chapter offers programming for ages 4–18 in San Clemente, Lake Forest, Anaheim Hills, and the chapter home base at the Dad Miller Golf Course in Anaheim. Since its founding in 2013 by a small group of Orange County's biggest golf fans and industry leaders, the chapter has served over 25,000 kids, while collaborating with numerous other youth service organizations, such as area Boys & Girls Clubs, to bring the First Tee values-based message to all youth throughout the county.

As a part of the national First Tee organization, each chapter must stand on its own financially. The Orange County chapter relies on contributions from individuals, foundation grants, and corporate sponsors to support daily operations and program expansion. We offer full scholarships or reduced fee programming for those families with financial needs through the contributions and donations made to **First Tee — Orange County**.

What is a No-Show Golf Tournament?

Given all the uncertainty surrounding COVID-19, **First Tee — Orange County** had to postpone its annual in-person Annual Charity Golf Classic into 2021 — its largest single fundraiser every year. But safe outdoor programming continues! A No-Show Golf Tournament gives you the opportunity to support the mission and programming of the chapter in a socially distant, safe and fun way! It's a low-risk way to show your love for golf on National Golf Lover's Day and in the weeks that follow.

**Shotgun start at no designated time.
Limited to an infinite number of players.**

Here's how you can support us:

No-Show Sponsorship	\$500
No-show Foursome	\$350
The Cost NOT to play	\$150
Tee Sponsor	\$100
Don't Read My Putts	\$75
Can't Attend Dinner	\$50
Can't See the Ball Drop (each)	\$25
Mulligans (Unlimited)	\$20

**Spread the word among your friends
and family! You don't have to live
in Orange County to participate!**

More advantages to not showing up:

You won't be pestered to buy raffle tickets or participate in a silent or live auction.

You can be young, old, on the injured list, on vacation or out of town, and still "play."

Women, men, seniors and kids all use the same tee box.

No awkward political discourse on this course.

No second-hand cigar smoke or disputes about touching the flagstick in this round!

No arguments over the Rules of Golf!

No rubber chicken dinners at any old country club.

No fines related to face coverings.

No dispute about being six feet apart and demonstrate social distancing!
