What is the Putt-a-Palooza?

A fun, 18-hole green grass putting tournament for all ages! Bring your families, neighbors, friends, classmates and fellow golf lovers! It is a great way to support the mission and core values of **First Tee — Orange County** while getting some exercise and enjoying a little golf in the open air facility.

Join us in developing game changers among Orange County's youth!

First Tee — Orange County is a 501(c)(3) non-profit organization building game changers by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf. The chapter offers programming for ages 4–18 in San Clemente, Lake Forest, Anaheim Hills, and the chapter home base at the Dad Miller Golf Course in Anaheim. The chapter has served over 25,000 kids, while collaborating with numerous other youth service organizations, such as area Boys & Girls Clubs, to bring the First Tee values-based message to all youth throughout the county.

The Orange County chapter relies on contributions from individuals, foundation grants, and corporate sponsors to support daily operations and program expansion. We offer full scholarships or reduced fee programming for those families with financial needs through the contributions and donations made to **First Tee — Orange County**.

Mission

First Tee — Orange County is a youth development organization that enables kids to build the strength of character that empowers them through a lifetime of new challenges. By seamlessly integrating the game of golf with a life skills curriculum, we create active learning experiences that build inner strength, self-confidence, and resilience that kids can carry to everything they do.
